## MEMORY MATCH

Print out 2 copies of the character cards. Ask an adult to help you cut out the cards.

Flip the cards over and take turns finding matches!

NOTE: In order to help your cards last longer you may want to print them on cardstock, glue the page to light cardboard before cutting them out or laminate the cards.

## GROUP GAMES

### MUSICAL CLOWN NOSES

- Lay out red clown noses on the floor (have one less nose than the number of children)
- Have the children walk around them in a large circle while the music is playing
- When the music stops the children have to grab a nose, the child who is left without a nose is out
- Continue until you have a winner (One nose and two children, the child who gets the nose wins)

### BARDINI'S CIRCUS

- Choose one child to be the ringmaster (Bardini)
- The rest of the children choose to be different circus characters
- The children go around the room led by the ringmaster while imitating the different circus characters

### FREDDIE SAYS *(Simon Says) With an anti bullying twist*

- One child is chosen to be the leader
- He/she gives out instructions e.g.: I say jump up and down or Freddy says jump up and down
- The children only follow the instructions for 'I say'; the children who follow 'Freddy says' are out of the game
